OLD BUSINESS

None

NEW BUSINESS

Kids Run the Nation: Tabled until next meeting.

E-Rundown: The paper Rundown is expensive to produce, time intensive, and the Post Office imposes new rules month to month. A motion was made and unanimously approved to move to the next stage of implementing the E-Rundown by sending both paper and electronic versions to members beginning with the November issue. This transition will be publicized during the transition period (yet to be determined).

One-Hour Postal Racewalk: A motion was made and unanimously approved to provide up to \$250 to support the event this December. This nationwide racewalk allows participants to compete without having to travel to a central location and be ranked nationally and internationally with those in an individual's age group.
