

Tidewater Striders Hall of Fame

Nomination for the Class of 2018

Individuals nominated for membership in the Hall of Fame must have been members of the Tidewater Striders for a minimum of ten (10) years. Individuals may use a self-nomination process or be nominated by other club members, the latter having been members of the Tidewater Striders for at least five (5) years. A maximum of five (5) members will be inducted in the class of 2018.

Nominations must be received by November 1, 2017. Specific directions for the nomination process are presented below and must be submitted electronically in Word format. Please use the Times New Roman font with size 12. Email to Bee McLeod at Bee.Mcleod@cox.net. You may cut and paste the nomination form section at the end of this document in Word.

Individuals may be nominated for their accomplishments in the areas of competition, volunteerism, and/or profession-related endeavors, or a combination of these areas. Some examples of accomplishments in these three areas follow:

Competition

- Have a high ranking overall or age-group nationally or regionally by an appropriate athletic governing body for at least several years
- Holder of age-group records for various race performances at the state level or above
- Outstanding overall or age-group performance in major Hampton Roads races over the course of several years
- Multiple Tidewater Striders Grand Prix awards.

Volunteerism

- State or national, such as RRCA, recognition of volunteer service
- Significant service to the Tidewater Striders as an elected officer
- Service to the club as recognized by consistent high ranking in the Volunteer of the Year award system
- Service to the club as a long-term director for major club races
- Service to the club for long-term roles as coach for youth teams, editor or columnist for the *Rundown*, and similar service
- Service to national organizations associated with running, walking, and triathlon

Professional

- Coaches, race managers and directors, store owners, reporters/journalists, sponsors, and others as deemed appropriate
- Contribute substantially to the growth, development, and promotion of running, walking, and triathlon

Please contact the individual(s) you plan to nominate to ascertain whether they are willing to be nominated for this prestigious honor. The nominee(s) will most likely be a main source of your documentation supporting the nomination. The contents in the submitted nomination form must be verified by both the nominator and nominee.

A note about self nominations: Please do not be hesitant to nominate yourself if you feel that you have the qualifications. Many club members may not be aware of your competitive running performances or your manifold contributions to the success of the club, particularly if achieved in the earlier years of the club's long history. Club members who do know of your accomplishments may not give any thought to nominating you because the Hall of Fame is not on their radar screen. Self nominations will receive the same respect and consideration as other nominations. In essence, the individual being nominated, whether self-nominated or by another club member, will need to provide the data for the nomination form that will provide the basis for the Hall of Fame selection committee's deliberations.
