If the race accepts Golden Runner entries and the entry form does not have a blank for the number, the Golden Runner should write "Golden Runner # (your number)" in the upper right-hand corner of the entry form.
4. Golden Runners should bring their Golden Runner number with them on race day. If they forget their number, they should tell the check-in volunteer that they need a race day number. The registration table should have a list of active Golden Runners in order to verify membership. Golden Runners must wear their number throughout the race to ensure proper scoring.
5. Golden Runners must preregister by the indicated early deadline or pay the entry fee for the following races: Shamrock Marathon and 8K, Elizabeth River Run, Neptune Festival 8K and Turkey Trot.
6. If perforated numbers (pull tags) are issued to runners on race day, Golden Runners must register for one. They should not use their Golden Runner number on race day (include it on the entry form when registering). Preregistered Golden Runners should pick up race day numbers at the preregistration table, not the Golden Runner table.
7. Golden Runner memberships may only be used for one race per event. If a Golden Runner runs more than one race, they must pay the entry fee for the second event.
8. A Golden Runner number is non-transferable. It is for use by the Golden Runner only and each use will be verified.
9. Any requests for extension of a Golden Runner membership due to injury or other extenuating circumstances (of at least 6 months duration) must be submitted to the Membership Chairman for review and approval by the Membership Committee.
10. Youth Golden Runner memberships are restricted to individuals 18 and under and may not be used for any race longer than 10K.
11. The Golden Runner Waiver must be returned to the Membership Chairman before the membership is activated.
12. Golden Runner membership becomes active on the first day of the month following receipt of the application.
13. Golden Runner memberships are **NOT** accepted in Tidewater Striders multi-sport events.

5. RESPONSIBILITIES TO RRCA:

A. The RRCA (Road Runners Club of America) requires that a copy of the Tidewater Striders database be submitted to the National Office in September of each year so that they may calculate our annual dues and insurance payment. The database shall consist of households only. This means that all Golden Runners, Full Adult and Full Youth members are included while family members and non-members are excluded.

B. On a quarterly basis (January 1, April 1, July 1 and October 1) a copy of the database (containing the same members as explained above) shall be forwarded to the RRCA FOOTNOTES' circulation department.

6. PRINTING OF LABELS FOR THE RUNDOWN:

A. Once a month the Chairman shall provide a set of mailing labels sorted by zip code to the stuffing coordinator of the RUNDOWN. All current, full members will receive a label. Persons whose memberships are expired by one month will also receive a label. This grace period allows for people who may wait until the end of the month of expiration to pay their dues and their renewal is still in the mail and for people who may have joined the club sometime in a particular month after the RUNDOWN has already been mailed. They would have that month as their expiration date but not have received their RUNDOWN.

7. DETERMINATION OF MEMBERSHIP FOR CALCULATING THE EXECUTIVE DIRECTOR'S SALARY:

A. On the dates set forth in the Executive Director's contract, the membership of the Tidewater Striders shall be determined in order to calculate the salary of the Executive Director for the next six months. This information shall be submitted to the Treasurer, Executive Director and President by the first of the month and reported to the Board at their meeting that month. The number reported should be a current and accurate representation of paying members and include (a) full adult members; (b) full youth members, (c) family members, (d) adult paid Golden Runners and (e) youth paid Golden Runners. It excludes all non-members and complimentary Golden Runner members.

8. COMPLIMENTARY MEMBERSHIPS:

A. Complimentary non-member status shall be granted to several persons and organizations. This amounts to them being on the mailing list and receiving the RUNDOWN. Periodically this list of memberships shall be checked for accuracy of address and/or recipient.

B. Complimentary individual memberships shall be granted to race directors of Tidewater Striders events. The membership shall begin the first day of the month following that in which the race was held. It is the responsibility of the Race Committee Chairman to inform the Membership Chairman as to who the race directors are and the month of their event.

C. At times there may be members who have devoted extraordinary time to the club over the course of a year and should be recognized accordingly. Members may present nominations and reasons for such to the Membership Chairman who will forward them to the Board for discussion and possible approval. If granted, the membership becomes active on the first day of the month following the decision. The individual must be re-nominated the following year.

D. Race directors of Tidewater Striders club events as listed below are granted a complimentary Golden Runner membership beginning on the first day of the month following that of the race that they directed. In the event of a series, the membership begins the first day of the month following the first month the series occurs. The membership will run for one year from that date. It is the responsibility of the Chairman of the Race Committee to notify the Membership Chairman as to the identity of the race directors and the month of their event. The membership will automatically be renewed if the person continues to direct the event. Tidewater Striders club events are developed by the race committee and submitted to the board for approval for each year.

E. Members (including committee chairman, general membership or Board members) may nominate persons who they feel have done an exceptional job in helping the club over the previous year. The candidate should have either incurred some type of financial outlay/donation or service in excess of the value of a Golden Runner membership for which reimbursement was never requested nor made or devoted countless hours (in excess of 100 hours per year) to the benefit of the club. The nomination should be made to the Board in writing and detail all of the reasons that the person should be considered for Golden Runner membership. Nominations should be kept confidential although the individual recommending the membership may be present at the Board meeting to discuss the merits of the candidate. The Board will then decide whether to grant the nomination. Upon approval of the Board, the membership will begin on the first day of the month following the decision. The summary minutes of the meeting need not record details such as the nominee's name. The individual must be re-nominated the following year.

F. All past presidents of the Tidewater Striders shall receive lifetime Golden Runner memberships, beginning immediately upon the completion of their term as president.

G. All members of the Board completing two full, consecutive terms are granted lifetime Golden Runner memberships.

H. All moderately-long standing (i.e. more than 5 years) “senior citizen” members (age 70 and above) are eligible for a lifetime Golden Runner membership. It is the member’s responsibility to notify the Membership Chairman of their meeting the age requirement so that their membership may be processed. The Membership Chairman will then notify the Board and the Chairman of the Race Committee. All members presently having Golden Runner memberships based on their age will be “grand fathered” thus retaining their membership even if they are not 70 years old as of yet.

I. Members may nominate a club member for a lifetime Golden Runner membership based on years of service to the club. The individual must have been involved with the club on a consistent basis at great expense of personal time for at least four years. The nomination should be made confidentially in writing to the Board. The Board will then determine whether the membership is merited. If approved, the membership will begin on the first day of the month following the decision.

J. All board-confirmed complimentary memberships, both regular and golden runner, will be up for review in January so that they are all reviewed at the same time.

9. RESPONSIBILITY TO MEMBERS:

A. The Chairman is responsible for keeping the membership informed of changes affecting them through announcements in the RUNDOWN.

B. The Chairman is responsible for addressing and resolving problems with memberships and/or receipt of the RUNDOWN.

C. The Chairman is responsible for keeping the Board informed of significant changes in the membership numbers.

WALKING COMMITTEE

POLICIES:

- 1. It is the responsibility of the Walking Chairman and Committee to:
 - A. Promote and encourage walking to include race walking and walking for fitness.
 - B. Serve as a liaison to local walking events.
 - C. Provide information to the membership and others in the community.
 - D. Create and publicize a series of events to be called the Tidewater Striders Walking Grand Prix Series (WGP) to encourage participation among the club members.
 - E. Sponsor team competition in local, regional, and national events where appropriate. A subcommittee will be formed to administer team competition. Two types of teams may be sponsored: Out-of-Town and Local competition.

PROCEDURES:

- 1. Committee Membership. The Chairperson or the Co-Chairpersons of the Walking Committee shall be appointed by the President and approved by the Board of Directors. Additionally, the walker serving as the Walking Team Coordinator on the Teams Committee, and any walker on the Board of Directors are automatic members of the committee. A walker is defined as someone who participated in at least six Strider WGP races as either a competitor or judge in the prior year. Other members will be selected by the Chairperson from walkers who have participated as either a competitor or judge in six races the previous year, and are willing to serve. Committee membership will normally be five members including the Chairperson or Co-Chairpersons.
- 2. The Committee shall provide walking information to the eRUNDOWN and the Strider web site such as a list of all WGP races, WGP rules, race walking results, profiles, articles on training and various facets of walking.
- 3. The Committee shall provide walking information to the membership through programs and clinics.
- 4. The Committee shall act as the liaison, in collaboration with the Race Committee, when dealing with race directors concerning walking and USATF sanctioned race walking events.
- 5. The Committee will select various local races for inclusion in the WGP using the following criteria:
 - A. Most races will not be held closer than two weeks apart.
 - B. The Committee will determine the total number of WGP events.
 - C. To qualify for an award in the WGP series participants must walk in at least 6 events.
 - D. The Committee’s WGP schedule will be presented to the Board of Directors for approval no later than the December Board meeting of the year preceding the proposed series.
 - E. The WGP schedule will mirror the Running Grand Prix (GP) as close as practicable, except when GP races are not amenable to walking, such as mud runs, cross-country runs, and sand runs, or do not include walking divisions; or when scheduling conflicts arise. Races will then be substituted with other scheduled area races.
 - F. The Committee reserves the right to substitute races in the event of the cancellation of a scheduled race.
 - G. Walkers finishing 1st through 10th in a race will accumulate Competition Points and all walkers completing a race will accumulate Participation Points.
 - H. Competition Points will be awarded in two divisions, i.e. overall males and overall females, for placing first through tenth (10, 9, 8, 7, 6, 5, 4, 3, 2, 1). Participation Points will be awarded for completing WGP races.
 - I. Only a participant’s top nine (9) races will be scored in the final WGP competitive standings. However, all WGP events count for the Participation awards.
 - J. WGP competitive scoring will be as follows:

<u>Finish</u>		<u>Finish</u>	
<u>Place</u>	<u>Points</u>	<u>Place</u>	<u>Points</u>
1 st	10	6 th	5
2 nd	9	7 th	4
3 rd	8	8 th	3
4 th	7	9 th	2
5 th	6	10 th	1

K. Participation Points are recorded in a separate ledger from the Competition Points.

L. Participation Points are awarded at one (1) point per complete kilometer. For example, a 6.2 kilometer race would rate six (6) points. No points are awarded for partial kilometers, with two exceptions:

(1) The One Hour Postal Race Walk where distance completed (instead of time of race completion) determines the race's results. Fractions of kilometers for this race are rounded up to the next whole kilometer, and

(2) The Strider Mile's 1500M Race Walk where the 1.5K distance is rounded up to two (2) participation points.

M. Walkers are required to adhere to race time constraints, and walkers who do not complete a race within published times will not be awarded Competition or Participation points.

N. USATF Rules of Competition apply to designated races (e.g. 1500M race walk of The Strider Mile and the One Hour Postal Race Walk). For all other non-USATF Rules of Competition races, walkers must walk the entire race distance. Violating USATF rules in designated races and running or jogging at anytime during non-USATF designated races will result in removal from the race's walk division. Walk Judges will be used at all WGP races to insure that walkers observed running or jogging are removed from the race's walk division and that their race results are moved to the appropriate running age group. Walk judges will receive the same participation points for the race that the walkers receive. The Chief Judge for each WGP race will receive five(5) additional participation points.

O. The Committee will determine the number of walk judges needed at each race and the number of times/races each individual must serve as a walk judge to qualify for a WGP award.

P. There is no requirement that WGP participants must volunteer at Strider functions (i.e. newsletter stuffing, race volunteers, road/trail trash clean-up, etc). However, walkers will be awarded ten (10) points per two hours worked, excluding walk judging, for Strider sponsored events. A maximum of 50 points are available and will apply to both the Competition and the Participation portions of the WGP.

Q. The depth of awards to be presented at the Annual Awards Banquet will be five (5) deep in both the male and female overall WGP groups (total of 10 competition awards); and the top five (5) individuals, either male or female, earning the most points who have not earned a walking competition award will receive a walking participation award (total of 5 participation awards).

R. Awards must be approved by the Board prior to the publishing of the final results of the WGP series in the RUNDOWN and the Strider web site.

S. The Committee shall coordinate presentation of the awards with the Awards and Banquet Chairpersons.

As another example, 15 members sign up to be on a team, but only 5 are necessary to qualify as a team - 5 members are entitled to reimbursement, it will be up to the team subcommittee chairperson to determine the 5 individuals).
5. At the conclusion of the event, it is the responsibility of the Team Coordinator to submit the reimbursement request to the Walking committee chairperson who will then approve/disapprove the request and if approved, forward to the Treasurer for payment.
