Walking Participation awards given to the top five point recipients not receiving a Grand Prix Award. "Yes-GP" means currently qualified for a Grand Prix Award. Individuals must participate in at least six races and meet the walk judge (3) requirements and not qualify for a Grand Prix Award.  
 If you are a Strider member and walked in any of the above races but your name does not appear in these results please notify Lori Sherwood at lqriann@verizon.net.

You must be a Tidewater Strider member no later than the last day of the month of the race, complete at least 6 races and meet the judging requirement to qualify for a Walking Participation Award. One point is awarded for each kilometer in a race. The five individuals, either male or female, earning the most points that have not earned a Walker Grand Prix award will receive a Walking Participation Award.

- Walkers will be awarded ten points per two hours worked, excluding judging, for Strider sponsored events. A maximum of 50 points are available and will apply to both Grand Prix and Participation awards.
- Walkers must judge that walkers do not run or jog a Grand Prix Walking race at least three times. (You do not have to be certified to do this judging.) At USATF judged races the race management personnel (starter, timer, certified judges, recorders, lap counters, red card runners, aid/water station operators, etc.) receive walk judging credit and participation points.
- The chief judge for each race will be awarded an additional 5 walking participation points.
