Walking Participation awards given to the top five point recipients not receiving a Grand Prix Award. "Yes-GP" means currently qualified for a Grand Prix Award.

Individuals must participate in at least six races, meet the walk judge requirements of at least 3 races and not qualify for a Grand Prix Award.

If you are a Strider member and walked in any of the above races but your name does not appear in these results please notify Lori Sherwood at [lqriann@verizon.net](mailto:lqriann@verizon.net).

You must be a Tidewater Strider member no later than the last day of the month of the race, complete at least 6 races and judge at least three (3) races to qualify for a Walking Participation Award. One point is awarded for each kilometer in a race.

The five (5) individuals, either male or female, earning the most points that have not earned a Walker Grand Prix award will receive a Walking Participation Award.

1. Walkers must judge that walkers do not run or jog a Grand Prix Walking race at least three times. (You must be certified to judge the two USATF races.) At USATF judged races the race management personnel (starter, timer, recorders, lap counters, red card runners, aid/water station operators, etc.) **receive participation points**.

2. The chief judge for each race will be awarded an additional 5 walking participation points.
